

Discover Portage Road Lesson Plan

467 Center Street
(*Historical Association of Lewiston, Inc.*)
Subject Area: Social Studies
Grades 6-8

New York State Social Studies Learning Standards

Standard 1

History of the United States and New York

Students will:

- Use a variety of intellectual skills to demonstrate their understanding of major ideas, eras, themes, developments, and turning points in the history of the United States and New York
- Distinguish between near and distant past and interpret simple timelines.
- Investigate key turning points in New York State and United States history and explain why these events or developments are significant.
- Gather and organize information about the important achievements and contributions of individuals and groups living in New York State and the United States,
- Prepare essays and oral reports about the important social, political, economic, scientific, technological, and cultural developments, issues, and events from New York State and United States history.

Overview:

Built in 1838 by Benjamin Cornell this building has been used commercially for over 175 years.. It was one of Cornell's many businesses. The building once housed a bowling alley. It served as the library from 1901 to 1908. Currently, three specialty shops now occupy the structure.
